

BEAT THE HEAT BEFORE IT BEATS YOUR AIR CON

(and your wallet)

BOOK EARLY TO DODGE THE SWEATY SUMMER SCRAMBLE

Summer in Queensland doesn't mess around – and neither should your air con. Dust, mould, and clogged filters aren't just gross, they crank up your power bill and make your system work harder than a tradie on a roof at midday. Even worse, they can mess with the air your family breathes.

STAY COOL, AVOID BREAKDOWNS, AND SAVE YOURSELF FROM THE "FAN AND ICE CUBE" BACKUP PLAN.

CHOOSE YOUR CLEAN

ESSENTIAL CLEAN - \$100 INC GST

FOR WELL-MAINTAINED SYSTEMS THAT JUST NEED A SEASONAL SPRUCE-UP

WHAT'S INCLUDED (a proper tidy-up, not just a quick wipe):

- ✓ INDOOR UNIT SURFACE CLEAN
- ✓ FILTER REMOVAL AND RINSE (goodbye dust bunnies)
- ✓ COIL CHEMICAL TREATMENT
- ✓ DRAINAGE CHANNEL FLUSH
- ✓ REFRIGERANT SYSTEM CHECK
- ✓ EXTERNAL UNIT AIR PRESSURE CLEAN
- ✓ COOLING EFFICIENCY TEST USING WITH OUR FANCY DIGITAL THERMOMETER

ADD ADDITIONAL UNITS: \$50 EACH (INC GST)

MOULD CLEAN - \$200 INC GST

FOR UNITS WITH VISIBLE MOULD OR FOR UNITS GIVING OFF OLD GYM SOCK VIBES.

ESSENTIAL INCLUSIONS PLUS:

- ✓ FULL STRIP-DOWN OF THE INDOOR UNIT
- ✓ MOULD AND FUNGAL GROWTH REMOVAL (ick, gone)
- ✓ INTENSIVE CHEMICAL SOAK OF COIL & INTERNALS
- ✓ DRAIN VACUUM AND DEEP CLEAN
- ✓ FULL SYSTEM TEST AND REASSEMBLY
- ✓ ODOUR NEUTRALISATION TREATMENT (so it smells fresh, not funky)

ADD ADDITIONAL UNITS: \$100 EACH (INC GST)

Get discounted rates when we clean multiple units at the same property in one visit.

Because if you've got more than one, chances are they all need some love.
